HI FREAKS

DE – Hamburg

2009

Born in Bremen in 2006 from GOLDFISH & DER DULZ at Plantage 13 as an vinyl label for vinyllovers!

Firtz Windish is a part of the act SOUKIE & WINDISH and Labelowner since 2008. His primary obsession is to define the musicfocus of the Label. If you wanna describe the music you have to say: Funky, Soul, House and a groovy deep Beat. Zimmermann got the deep Beat, Larsson the soulfull percussion House and Piermont got the funky Groove.

It means that every Freak build up the special vinyl sound that says: „Hi Freaks“!

The Labelshowcase is available with the choice of following Artists:
